

COLOMBIAN COFFEE QUALITY CERTIFICATE

No. 80414364

The undersigned director of Almacafe coffee Quality Assurance office, appointed by the Colombian Coffee Growers Federation - Federación Nacional de Cafeteros (FNC).

Hereby Certifies that:

On 16.02.2023 a green coffee beans representative sample of a 19.259 kg lot identified under lot number 3-3033-00006, was analyzed at the Port of Cartagena, to verify if it complied with the Colombian coffee Supreme standard as established by the National Committee of Coffee Growers of Colombia.

The following analyses were performed

Analysis	Method
Screen size	ISO 4150 (2011)
Moisture	ISO 6673 (2003)
General Appearance	ISO 4149 (2005)

Cupping Test: Approved

In accordance with the obtained results, the ICO lot number 3-3033-00006 is certified as SUPREME quality.
